ACCU-CHEK® Smart Pix
Pocket Tools

INSTALLATION INSTRUCTIONS

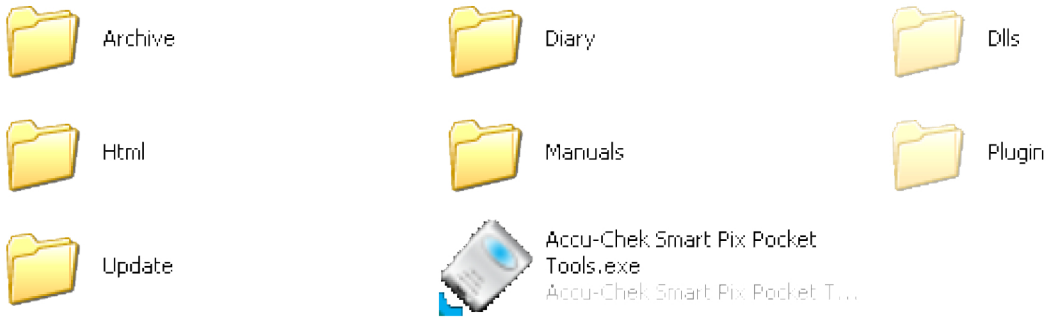
Important notes:

Please ensure you read these instructions before downloading the zip file. Full instructions on use are found in the Accu-Chek Smart Pix Pocket Tools User Manual, available upon download.

How to save Accu-Chek Smart Pix Pocket Tools to your computer:

1) Click on the "Accu-Chek Smart Pix Pocket Tools" link and save the zip file to an easily accessible location (i.e. C-Drive > My Documents).
2) Once saved, open the drive on your PC that shows you the zip file
3) Unzip the file and create a new folder that you can title: "Accu-Chek Smart Pix Pocket Tools"

   These are the folders you should see once you have extracted the files



4) With the Accu-Chek Smart Pix device plugged into your computer, you can now launch Accu-Chek Smart Pix Pocket Tools by clicking on the "Accu-Chek Smart Pix Pocket Tools.exe" icon
